New Collegeville Bible Commentary pages 47-53

In what ways are Saint Paul's example and teaching an inspiration to us?

How do we actively emulate Saint Paul's example and teaching?

In what ways do we make Saint Paul's commissioning of Timothy our own commissioning? Why is it so important for us to do so?

How does Saint Paul sharing the struggles of his own humanity encourage us to actively live our faith in spite of the limitations of our humanity? What makes up for our limitations? Why is acknowledging this a good thing?
